

## Installation Specifications & Warranty

### 1) Material Selection:

- i. Panel support inside the rebate shall be provided by 60-shore neoprene, non-shrink grout, or acrylic.
- ii. To provide an aesthetically pleasing installation, the panel at the rebate area less silicone glazing joint depth will be covered in a suitable acrylic exterior paint. Client will specify color of acrylic paint provided it is available without special order.
- iii. Waterproofing silicone shall be either Dow Corning 795 or Dow Corning 121 with or without closed cell foam as a backing barrier. Client will specify color of silicone provided it is available without special order.

### 2) Panel Support:

- i. Panel sill support inside the rebate must be uniform so that no loading points exceed the maximum design stress levels as indicated in B.1002 – Class 1 acrylic panel manufacturing specifications.
- ii. Panel jamb support inside the rebate must be uniform so that no loading points exceed the maximum design stress levels as indicated in B.1002 – Class 1 acrylic panel manufacturing specifications.
- iii. Panel header support inside the rebate must be uniform so that no loading points exceed the maximum design stress levels as indicated in B.1002 – Class 1 acrylic panel manufacturing specifications.

**3) Duration of Warranty:** Glazing joints for water retaining viewing panels installed by Innovative Acrylics llc are warranted to be free of leaks for a period of three (3) years from date of installation. Silicone glazing joints that develop leaks within 3 years of installation will be repaired at Innovative Acrylics llc expense (excluding travel cost).

**4) Warranty Exclusions:** This warranty does not apply to any defects caused by improper use, improper selection of rebate waterproofing membrane or application thereof, defective material, accidents, misuse, humidity control, electrical power failure, surface deterioration of the panel caused by persons, improper cleaning procedures, cleaning with abrasive chemicals, abuse, or act of Nature. Any modification or alteration such as drilling, cutting, sawing, gluing anything to, bending, melting, tapping, or other similar means voids the warranty. Innovative Acrylics llc liability to the original purchaser is limited to the original installation price and does not extend to the contents or any other consequential damage.

**5) Maximum Liability and Consequential Damage:** The purchaser and/or user hereby agree that Innovative Acrylics llc, LLC and associates maximum liability is limited to the original purchase price in any and all circumstances. The purchaser and/or user hereby agrees to assume all liability, indemnify and hold harmless Innovative Acrylics llc, associates, its heirs, successors, agents and assigns for any consequential damage including but not limited to personal injury, property damages, business interruption losses, opening delays or other consequential damages.

- i. This warranty is limited to the original installation price only. All transportation expenses associated with the repair shall be the responsibility of the owner or purchaser.
- ii. Innovative Acrylics llc shall not be liable for any loss or damage resulting from a client's willful, negligent, or a force majeure event; which was not within the reasonable control of Innovative Acrylics llc.

**6) Authority:** THE FOREGOING WARRANTIES ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THIS DOCUMENT IS FINAL AND SHALL PREVAIL OVER OTHER WRITTEN AND VERBAL STATEMENTS.
